Host a Virtual Food Drive

Virtual food drives enable people outside of our immediate geographic area to participate and are an easy way for those without transportation or with limited time to give back.

[This editable flyer](#) can help you promote your food drive. A couple of weeks in advance, please add your food drive dates, instructions for getting funds to you, and contact information. Then, email, text, or mail this to your friends and relatives, along with a personalized note and some information about [PORCH's mission](#).

Include a QR code to your Venmo account – or other instructions for getting cash to you. Then, go shopping for PORCH using the funds you received. You can use a grocery delivery service like Instacart, ensuring the non-perishables are dropped off at Extraordinary Ventures (200 S. Elliott Road, Chapel Hill) during our set [sort days/times](#). Or order online through a site like Target, Walmart, or Amazon and have the items shipped to you so that you can bring them to us.

Reach out to us at chc@porchcommunities.org with any questions. Learn more about hosting a virtual food drive [on our blog](#).
