

# How to host a food drive

Thank you for hosting a food drive for PORCH Chapel Hill-Carrboro! Your work will make an immediate impact on our neighbors experiencing food insecurity.

## 1.) Pick a date and location

Let us know when your food drive is scheduled and we can advertise it on social media! Our email is [chc@porchcommunities.org](mailto:chc@porchcommunities.org).

## 2.) Get your materials ready

### In-person food drive:

We would love to give you yard signs, brochures, and stickers to have at your food drive! You can also use this [editable Canva file](#) to customize a poster for your drive.

### Virtual food drive:

Want to engage people who don't live near you during your food drive? Add a link to your Venmo/other payment methods on your poster and people can pay you to purchase more non-perishables for the food drive! We have shopping lists at both [Target](#) and [Amazon](#).

## 3.) Take pictures!

Capture some fun moments during your food drive! We would love to share these with other PORCH supporters.

## 4.) Bring your donations to PORCH

You can find our food donation drop-off dates [at this link](#). If you need to coordinate an alternative time to drop off donations just email us at [chc@porchcommunities.org](mailto:chc@porchcommunities.org)!
